

# Leading For Equity as a White Leader: The pitfalls, the possibility, the life-long challenge

## PRESENTER:

Garrett Bucks, The Barnraisers Project

## DESCRIPTION:

Are you a white organizational leader who aspires towards leading for equity? It's highly likely that you're struggling to do it well, that you've fallen into some real (and common) traps and that it's been difficult to identify the extent to which you're helping or hurting. This session is designed to be an honest, transparent, challenging, and supportive space for white leaders to push and support each other in this work. *Limited to participants who identify as white.*

## TIME:

11:45-1:15pm on Tuesday, March 26<sup>th</sup>
