

Affinity Groups

DETAILS:

Join others with a common lens of identity or organizational role for an opportunity to network and share experiences over breakfast from 7:30am - 8:15am on Wednesday, March 27th. Please note that breakfast will also be available for individuals who choose not to join affinity groups.

ABOUT:

Based on your input, we will be offering the following identity-based and role-based groups as a starting point for Affinity Groups. These groups will continue to run virtually throughout the 2019 DEI Accelerator program following the convening. Because we fully recognize that asking participants to “choose one breakfast” is a reductionist approach, we will ensure that future virtual Affinity Group sessions take place at different times so that program participants can attend as many as relevant. If you have additional ideas of Affinity Groups you would like to see included in the future, just let us know!

When	Wednesday, March 27 th 7:30am – 8:15am
Where	Town Square at the Kauffman Foundation Conference Center
