

Behind the Scenes of TNTP's DEI Journey: A Case Study

PRESENTER:

Tequilla Brownie, TNTP

DESCRIPTION:

This session will focus on the successes and missteps involved along the way, both quantitatively and qualitatively. Additionally, the session will illustrate these successes and missteps through the use of both data and stories. The lessons will be shared from a macro-level organizational lens as well as a micro-level individual lens, infused with the perspective of a woman of color who is a senior leader in a predominately white organization within a broader predominately white field. *Open to all participants.*

TIME:

11:45-1:15pm on Wednesday, May 29th

LOCATION:
